Marilyn Ann Hanson

August 28, 1934  December 26, 2020

Marilyn was born in Selma, California on August 28, 1934, to Samuel Wallace Turk and Bernadine Peterson Turk. She grew up in Kingsburg where she was active in the Methodist church and attended Kingsburg High. It was there she met her lifelong sweetheart Ron Hanson. They married in 1953 prior to Ron going into the Navy. They lived in Virginia and Bakersfield before settling in Reedley to raise their family.

Marilyn was primarily a wife, homemaker, mother, grandmother and great grandmother, but she also made time for many other organizations and interests outside of the home. She was very active at Christ Lutheran Church and the Kings River Quilter's Guild where she served in many positions.

Marilyn loved to travel and loved hiking all over the Sierras. In 1983, they purchased a cabin in Shaver. This was one of her favorite vacation spots, where she enjoyed entertaining her family and friends. She had a true passion for quilting and she spent many hours making beautiful quilts, which were her gift of love. Everyone said when they sat under one of her quilts they were wrapped in her love.

Marilyn was preceded in death by her parents, her sister Marjorie, and her son David. She is survived by her husband Ron of 67 years, her son Gary and his wife Anita, David's wife Karen, her daughter Jennifer and her husband Steve Lewis. She is also survived by her brother Duane Turk and his wife Lucile, her 7 grandchildren, 11 great grandchildren and many nieces and nephews.

“ Marilyn was one of the most lovely & graceful individuals I knew. She was a wonderful homemaker also and very proud of her family. Always enjoyed Ron & Marilyn's visits to Fresno. My deepest sympathy to Ron and the Hanson family.

“ Condolences to Ron and the Hanson family. Marlene and I got to know Ron and Marilyn while Ron and I both worked in the wine industry and played a lot of golf together at Kings River Country Club. Our prayers go out to Ron and the family.

“ Our hearts go out to the Hanson Family (Uncle Ronnie, Jenifer, Gary, and the family of David, plus all of the Grandkids). I remember attending her and uncle Ronnies graduation and wedding. It seems just like yesterday. I have very fond memories of the family and the big Christmas Dinners, and the times we were able to visit the family when we returned to California.
