“ *My favorite memory with my father-in-law will always bring a smile to my face. He and mom came for a visit to Nevada and of course we were all watching the Giants game. As the players were at bat or in a position to make a great play I would cheer them on with the nick names I chose for them. Dad said what are you calling them?? I explained that it was easier for me to watch if I made it a bit silly and ironically, they seem to do better! Polka Dot hit a home run after I called him that! Then dad looked at me and said ok what do you call this one? Then he joined in!
I miss you dad, thank you for everything. ❤️*
