“ *This beautiful soul is going to be deeply missed. He was a funny, smart, strong man. There are so many wonderful memories with my grandpa from a very young age I'll always remember our Friday nights and how excited we always were to go watch John and Marky play football. Our bingo days and how everyone there cared for you made sure you had your special and snacks. I'm going to miss going over and watching you with the kids and being silly with your dancing and talking a different language. We love you, see you later.*
