

Augustine Robert Perez

June 12, 1946 - October 28, 2022

Augustine Robert Perez, 76 of Fresno, California, died on Friday, October 28, 2022, in Fresno, California. Augustine was born to Gabriel Perez and Amelia Zamora on June 12, 1946 in Fresno, California.

Augustine known better by his friends and family as Augie.

There are a few things worth mentioning about Augie that I'm sure those that knew and loved him will agree with. Augie was a person who respected and loved his family very much, and he was also a person who was always willing to lend a helping hand to anyone in need, whether it be helping an elderly person in the grocery store find something or unloading their groceries into the car, always sure to tell them to watch out for their purses and to never trust anyone. He was that kind of caring and loving individual.

Augie also loved music and loved to dance. I remember the time Augie and I took a cruise ship to Ensenada I couldn't find him anywhere. I suppose I shouldn't have been surprised to find him leading the congo line around the pool. He never knew a stranger. The next day as we were leaving the ship to enter the town of Ensenada. Augie couldn't be found. As I started back for the ship, thinking Augie might still be aboard, there he was standing erect with his hand over his heart saluting the Mexican flag. I said, I thought you were born in the U.S. He just looked at me intently and said this is our flag. I knew he

meant it stood for Mexican people everywhere. He was very proud of his Mexican heritage.

Augie was a fun loving person who enjoyed having a good time, especially with people he loved and cared about.

There were so many sides to Augie that its really hard to note just a few of them. I do believe we should mention that Augie was also a man of faith. Many times I've heard him or seen him praying for those that were dear to him, and many times I've heard him say I love my Lord, I love my Jesus, and I new he meant it. I know he is in the arms of Jesus and that thought brings us peace even though we will miss him deeply.

To my dear friend, Augie. Even today, I still think you're going call me, just to realize you won't ever again. Will miss our weekly talks. Will miss our Birthday Celebrations. I will miss you calling me all your made up names, asking about my babies(dogs and cats) or just calling me up to ask the craziest questions or normal ones, cause you thought I would always know or remember. I will see you again, and you'll probably be walking around in heaven, meeting people and making friends. I know you won't be lonely , you'll be with your sweet mother. Your kindness and your big heart, and your affinity to laughter will live on in my heart and memory. Love you Augie.

“ *Augie!!
When I first moved to Fresno and started working at Home Depot you made me feel so welcomed! I will always remember our laughs and jokes. Still don't know why you called me Julissa but I will never forget that! So many memories of you to share like when I delivered a Christmas gift to you at your house but was actually left at your neighbors door 😂 and honking my horn every time I drove by your home! Love you Augie and until we meet again! 🕊️🕊️*

I have known Augie for over 30 years. He was like an Uncle to my son and was a very caring person. It is hard to believe we won't hear his laughter or enjoy his cooking. However in heaven he will have the Angels laughing. He will be missed. Love you Augie, Cherie
