“ *Carl was the cousin closest to me in age being only 6 weeks older than me. My family loved visiting our Reddell family in Caruthers while I was a child and loved to play and have fun especially with Carl & Jerry as they were so close to both me and my sister. One time when we had gone to visit them I think Carl and I were probably about 8 or so and when we drove into their yard... well it was a farm of course and anyway we found Carl on the back of their milk cow and Jerry running around pulling her tail making her run around like crazy. My Dad had his movie camera in the car and took a little movie of them being naughty... We all laughed so hard but... Carl and Jerry got into so much trouble with their Dad when he got home and saw what they had been doing. It is one of my most precious memories of Carl. Carl I miss you more than I thought was possible. I am so sorry that I can not be there for you service but I will be in spirit.*
