“ *Tanté Carolyn. My best friend. I have too many memories to put in one little box. You were always a comfort to me. Someone I could talk to about anything. Always called me Jeanie. When I became an adult, we laughed at so many stories that we told each other about ourselves. \$1 in a birthday card each year for every niece and nephew, every great niece and nephew and every great great niece and nephew. Until your sight and memory stopped you. You were my shining star and you will be so greatly missed. Tammy, I'm sorry your mama is gone and wish I could be with you. I love you. Condolences to the family. ❤️ Jeanie*

“ *Carolyn was such a wonderful woman. She was one of several women who stepped in to my life when my mother was too busy. She always had time for me. We talked on the phone this last year, and I was glad I had the chance to thank her for being one of the women in my village.*

My heart and prayers go out to all of her family.
