“ *Cody James Robison was my grandmothers great nephew. I didn't have a personal relationship with him. We grew up together, but I loved him. It's such a shame he left this world so young. But like the saying goes, "The Good Die Young". Rest in Paradise my beloved cousin*

“ *I worked with Cody in Northern California. When he left us, I knew he missed his family and wanted to go back home. I always thought he'd come back for a visit, but now i know that isn't going to happen. He was such a funny guy and i miss his sense of humor and his smile. I just learned today that it's been almost a year since he passed. I want to send my sincere condolences to his family and pray that your broken hearts are healing. God bless.*
