

David E. Peters

September 22, 1941 - April 9, 2024

David Edward Peters

September 22, 1941 - April 9, 2024

David passed away on April 9, 2024 in Fresno, California at the California Armenian Home with his entire family by his side.

David was an avid farmer, teacher and motorcycle enthusiast during his lifetime.

Born in Fowler, California to Karnig and Barbara Peters, he worked early on with his parents, brothers Kenneth and Darrell and sister Patricia on the family farm. He carried the love of farming throughout his life, becoming a farmer himself.

After college, he became a high school agriculture teacher, where he instructed many generations of students and also developed friendships with his students and their families; many who remain active in agriculture to this day. He was especially fond of the teams he coached in viticulture.

After retiring from teaching, he remained active in his own farming operation, which is still operating to this day.

His love of family was evident in everything he did as he always put family first.

He is survived by his wife Roselle Peters of 55 years, along with three children and their spouses, Deirdre (daughter) and Eric Poole, Michael (son) and Leslie Peters and Bryan (son) and Leticia Peters. Grandchildren Matthew, Adrianna, Nikolaus, Hayden, Carter, Natalie, Brett, Mikayla, Ashley, Brian, Brielle and Chloe.

David is also survived by his sister Patricia Shein, as well as many cousins, nieces, nephews and friends.

We are all saddened by his passing, but for those who knew and loved him, we are thankful for all the years he gave to us, and excited for his last ride.

In lieu of flowers, remembrances may be made to the California Armenian Home (6720 E. Kings Canyon Rd., Fresno, CA 93727) or Kingsburg Cancer Volunteers Inc. (P.O. Box 26, Kingsburg, CA 93631-0026)
