“ I would say there's I so many memories I have Tia delia. Every event that I've gone to she would always ask how am I doing and she would remind me how small and cute I was and how much she loved having me there. The day for my graduation I received a tag from Tere showing delia a livestream of my graduation which I'm super glad she was able to witness. But hearing her voice saying how she remembered the time I was small and now I'm a big boy will always make me sad and happy and I love her for always making me feel like I was home anywhere I would go.

“ *It would be too hard to only pick one favorite memory of Delia.. I will cherish every one that I have. What I will miss the most is her laughter, seeing her, just her presence in all. May she forever rest in paradise surrounded by everyone of her loved ones that has left this earth as well. I love you mama. Nos vas a ser tanta falta... 💔*
