“ I was very saddened to learn of Dona's passing. She was a wonderful mentor when I started in Cub Scouts with my son. She had a passion for the kids. My deepest condolences to the family, esp Daryl and William.

“ This was on August 30, 2019. She reached out to hold my hand and thanked me for praying for her. She told the doctor I was "like" family, and I felt honored, by the woman who once claimed to be my sister to pick up copies of my kids' birth certificates. Heaven gained an angel, Dona. You won't be forgotten.
