

Dora H. Garcia

November 3, 1927 - August 10, 2020

Dora H. Garcia beloved wife, mother, grandmother, sister and friend to so many has passed away on August 10, 2020 at the age of 92. She has gone to join her daughter Henrietta.

Dora was born to Alick & Hortense Verdugo in Lindsay, CA on November 3, 1927.

She is survived by her husband Daniel Garcia of Kingsburg, son Daniel Garcia and wife Myra of Kingsburg, three grandchildren, Keith Christopher, Jason Daniel and Brooke Melissa.

Dora was married on July 25, 1966 to Daniel Garcia of Los Angeles, CA. Dora had 54 years of marriage to the love of her life Dan. They enjoyed the company of family and friends. Dora was never too busy to stop and have a conversation, maybe make another friend (Dan could be heard saying hurry up). She was a great listener and always there if someone needed a hand held or a shoulder to lean on.

Dora lives on in memories with her great smile, sense of humor and contagious laugh.

She was one in a million.

Dora is preceded by her daughter Henrietta Garcia, parents Alick & Hortense Verdugo, brothers Issac Verdugo and Leo Verdugo.

“ *Sad to read about her passing. I would visit her and Daniel at the home. I just now saw the obituary for both Dora and Daniel. Such nice people. She was very kind to my dad when he was at the home. That's where I got to know her. I wish I would of known...I would if been there to say goodbye.
May they be rejoicing with thier daughter at this time.
Prayers if peace and comfort to there son and family*

“ My father Darryl Magnuson lived in the same care facility as Mrs. Garcia between 2014 (or so) to 2018. During my visits with Dad, Dora (as she insisted I call her) was always in the thick of it. She was a very warm-hearted, sweet and thoughtful person. She would visit with Dad and me from time to time, and Dad spoke so highly of her. She enjoyed Dad's candy jar too. I had no idea of her age at the time, and I'm shocked to hear she was 90 when I saw her last. She was sharp as a tack and a very loving lady. Thanks to Miss Dora for many laughs. You will be missed much!
