

Fabian Brandon Castellanos

October 9, 2001 - July 24, 2021

Fabian Brandon Castellanos, 19 of Visalia, California, died unexpectedly in a fatal car accident on July 24, 2021. He was on his way home after attending a family gathering.

Fabian was born on October 9, 2001 in Fresno, California and grew up living most of his life in Kingsburg, California. He was a joyful, active, funny and a loving son, brother and friend who would light up a room with his smile when he entered. He loved spending time with family and friends and made those around him always feel special. He will always be remembered as having a friendly spirit who loved people and had a heart for children and animals.

In his teenage years, he began to work with Fabian Jimenez, his mentor and friend. Mr. Jimenez is the owner of Fabian's Pony rides which provides pony rides for parties and flea markets throughout the Central Valley. It is through this relationship that Fabian was able to grow, mature and develop meaningful relationships with the people he encountered while conducting their business activities.

Fabian was admired by many because of his kind heart, strong work ethic and his willingness to help those in need. Fabian's goal was to one day start his own business and he was beginning to make preparations to do so with the help and guidance of his mentor, Fabian Jimenez.

He is survived by his mother Teresa Jaime Silva, father Miguel Castellanos. Step father Mark S. Silva, sister Yessenia Lotta, and step siblings Brigid Lohoff, David Silva, Justina Silva and Dustin Silva. Brother-in-Laws Jonathan Lotta and Ryan Lohoff. Nieces Maddie Lotta, Leighton Lohoff and nephew Ruxin Lohoff.

He will be greatly missed by his family, friends and all those who knew him. Fabian touched so many lives in his short life. He will always be loved and forever in our hearts. May he be running with the horses in heaven. Until we see each other again one day.

“ *I had Fabian in a class at Redwood High School. He was the new kid and he chattered all the time he was in class. We became friends there and the teachers would call me into class when they couldn't get him to work. Then we went to Ramate in Selma and Fabian was working the pony rides. When he was out of school this became a way to keep in touch with him. He was so kind and sweet, if you knew him he was just Fabian. Fabian I hope you rest peacefully and may your family live with comfort and peace. Your girl*
