“ *I'm doing this with a lump in my throat and pain in my heart. Gary and I, in the earlier years had our differences, mostly silly ones, but during the years I have watched as Gary grew into a very loving husband, father and grandfather! I grew to respect him for his hard work to provide for his family and I'm so happy that towards the end when he first became ill, I let him know just how much I loved him. Miss you Gary James!❤️*
