Gary Schnitzler

Gary Herman Schnitzler passed away at his home in Kingsburg, California on July 23, 2021, at the age of 57.

Gary was born in Reedley, California to Manfred and Lydia Schnitzler on November 4, 1963. He attended elementary school in Kingsburg, graduated from Immanuel High School in Reedley, and then attended Reedley College for a time. He enjoyed a career in agriculture and worked for Schnitzler Farms for nearly 40 years. He worked alongside his father for many years and then ran the farms with his sons after his father's passing. He was involved in and passionate about the Tulare-Kings Counties Youth for Christ organization having served on the board for many years.

Gary could always be counted on for a good laugh. His jokes were many and unending. He greatly enjoyed spending time with his children, his friends, and his family where he was a favorite uncle to his many nieces and nephews.

Gary had a generous heart and shared his infectious sense of humor with all those he encountered. In addition to being a wonderful and caring father he was a loyal son, brother, and friend. One could always count on Gary to be there for them in good times and bad.

Gary is survived by his three children, Blake Schnitzler, Austin Schnitzler, and Victoria Schnitzler; mother, Lydia Schnitzler; siblings, Marlene & Brent Jackson and Steven Schnitzler; as well as many nieces and nephews. Gary was preceded in death by his father, Manfred Schnitzler.

“ The last text I got from Gary was from July 15th. It was for my son Stetson. It said “Tell Stetson to feed the chickens crushed ice. This way they won't lay hard boiled eggs on this hot day.” My son was shocked that the chickens might lay hard boiled eggs. Then he realized it was a joke and laughed.

“ My condolences to the family Im so sorry for your loss. Gary was a very nice person . I knew Gary from Kingsburg Elementary. I saw him not too long ago at the Kingsburg post office and he always took time to stop and chat with someone there and even though he was busy chatting, he still took the time to stop talking and speak out a " Hi Karen" to me as i passed by. I'll always will remember that.
