“ My beautiful friend, I was so looking forward to seeing you at the football games where you were the ref. You have been such a good friend since school and then were there with mighty hugs as I played flag football. You asked for the pictures of you and the games you had been a ref and I sent some for you but I have an entire hard drive of the games you had been a ref at. You asked if I needed anything after my mom passed and were so gracious, just the thought melted my heart. Rest in Peace my friend, you have a heart of gold.
