“ Grandpa... I love you so much you will forever be in our hearts. I remember growing up and you always had something funny to say .. it was even so funny and so cute now when I think how you would make grandma so mad at you when you would laugh at her or try to make her laugh she would be so upset with you 😞 I loved to wake up early in the morning and see you and grandma in the kitchen you were always ready at the table with a spoon in your hand eating all grandmas tortillas with butter .. and all the times you would pick us up on the weekends listening to your music in the car And I would be in the back seat dancing I would make you laugh every time and it always worked I loved to see you laugh and smile. But grandpa there is one thing I will never forget about you , you where a great man a strong man you helped my mom out so much and were always there for us when we needed you!! For all your kids you were the man that they needed in there life's they were so blessed to have you I wish we all could still have had more time with you but the Lord was ready to receive another angel tell grandma we miss her cooking and her beautiful smile until we meet again gramps love Angie. ❤️🕊️
