“Gabriel” My Bestest, My Longtime, My Partner in crime, that was us.

My sincerest condolences...John, Rosie, Rosemary, Michelle, Roxann and the entire Yanez family. Sending healing prayers & comforting hugs.

Bestest we have shared many uncountable moments that are now "OUTSTANDING" memories. I can honestly say I can't pick a favorite memory because every breathing moment god blessed us with was magical.

Bestest what do we all do without you? What do I do without you? You have always been there for me the good, bad & ugly. You have seen me cry, laugh & at my worst self. I will forever cherish our time we shared. You remember the first time we truly met...a News Party at my house. You were so nervous to tell me you broke my shower curtain..lol..so Lori did..lol..its been over 25 years since that night & ever since we have been besties.

(NO ONE WILL EVER REPLACE YOU!)

You know right...when the "Gap" is jamming that's you. I'm going to miss my dancing partner. (Oooooo we were so bad..lol)

The last 2 concerts we were at was the MEGA 97.9 SUMMER JAM in 6-2016 I took you for your birthday. ..then 8-2017 you took me to see (JANET JACKSON) for my birthday. We know it's been years gone by but I remember it like it was yesterday. My birthdays my everyday without you are going to be lost. I'm really going to miss my 1 or 3 a.m. txts from you...(Dirty) you up?..lol..then seconds later I'd get a (Gap) or (Michael Jackson) Dirty Diana video from you..lol..my heart, soul misses you...we all miss you! Until we meet again. It puts a smile in my heart that James has his big brother with him. I know how much you have missed him. Like I miss my Photy. But I know James & Photy are showing you the way, way up above, you are well taken care of ❤️

Bestest remember "2011" Mothers Day..lol..you came to Visalia to pick me up to celebrate back in C-town at Photys. Jagger Bombs for me Vodke for you..lol..we were at our worst..lol..I woke up the next day Photy & Ryan were waiting for me..lol...Oooooooooo Photy was beside herself, Ry too..lol..Photy was putting restrictions on us..lol..I

*was like "ya right"..lol..so much for the restrictions for us
RIGHTTTT..lol..it was all worth it ❤️
Bestest...you will be missed by many, but never forgotten. I've loved
you over 25 years ago since day 1 & I still do. ❤️ 🖤
Eternity ❤️ (Dirty)
🖤 Diana (Bestest)*

“ Uncle Gabe I will cherish all the memories I had with you. I tried writing this out several times trying to think of what to say. I’m still trying to process that you’re not with us but I know you’re watching over us with Uncle James. I love you so much. I’ll make sure baby John knows you, aunt chell and Stephen are all cheaters at the board game “life” 😭. I still member leaving you off at arts and Diana’s or loops house and picking you up. The times you would sing to me in the car with the music full blast smiling and laughing telling me to sing with you and wouldn’t stop in till I did. I’m so glad I got to share an experience I will never forget with you is when you took me to get my license once I turned 18 and I got it. I remember when I got out of the car and I told you I passed you were so excited for me and gave me a hug and said let’s go get In-n-out but I think you were just excited to have me as a driver. Just playing. My favorite memory is when I had baby John and that morning my nurse told me “ Sabrina Gabriel is here to see you” I told the nurse “ who’s Gabriel” then you told the nurse “ Gabe” and I was like oh you mean my uncle gabe LOL you were our first visitor to come see us. I remember asking you if you wanted to hold the baby and you were like no he’s too small and I just laugh. It’s crazy to think when we have family parties you won’t be the one playing music for us telling Matt and Joaish to dance but I’m sure you and uncle James will be there laughing trying to understand what jj is trying to say or laughing at the goofy stuff they’re doing. I will truly miss laugh and your big dimples when you smile. I know you’re happy with uncle James and watching over all of us. I love you uncle gabe & I will tell baby John all the memories I had with you ❤️ RIP uncle gabe. I know I will see you again one day. I will miss you so much my handsome uncle.

“ Gabriel, the fun times we had the uncontrollable laughter we all shared, I will never forget. The fun rides Chico and I would take with you So much fun. Everytime we would all go out all I can remember is laughing. "Letish".. Was the nick name you made for me. "Lorenza" for Lori. Your memories will be with me and Chico for always. We continue to share them with Bella, and she to will always remember her cousin the #1 who liked Benny and the Jets! I hate that Bella wont grow up around you. It breaks our hearts so much that your gone. You will forever be in our hearts and memory. Love Chico and Leti and Bella💔

“ *Cousin my favorite memories of you is when I would go visit my dad and you were little playing in the yard outside in Caruthers. I will definitely miss the bond that we built over the last couple of years through phone calls and text messages, my heart is broken knowing I will never get another text message again but I know you're no longer in pain. I also know God has his reasons for taking you although we wanted you here He needed you more I love you with all my heart and I will miss you every day. Rest easy cousin until we meet again. May God have Mercy on Your Soul 🙏💔*
