“ *I never knew Laura, but my mother grew up with her. I'm now very close to her son Christopher, whom I wish she could have grow up. He always speaks of his love for his mother and how he wishes I met her. Loss is a terrible thing, and I truely wish I had met this wonderful woman.*

“ I remember Laura was the cool cousin growing up. When we would go visit we came up with a dance to The Beach Boys song. Her confidence and light was unique. Running around tia and tíos vineyard and making weird mixtures of food. I love you prima always!
