“ I’m saddened to just finding out Cristina passed away. She and I met back in 2007 we were co-workers at The Best Western she was very kind and sweet upon meeting her and she trained me. We hit it off right away and became the best of friends. We both left BW and went to work in a construction company together, she trained me there as well, but little did I know, I’d be filling her position and she was off to work for Tulare County. She was funny, caring and such a good friend. But life sent us into different directions, we lost touch and years went by, we ran into each other and picked up where we left off for a small while then lost touch with her again, only to find that the last time I seen her would be the last time I seen her. She was one of a kind and she is truly missed. RIP my dear friend. Love you always, your long time friend Del.
