“ I just heard about Marian's passing today, Dec 8th, 2022 and just feel so sad that we didn't make it to lunch again like we said we would. We were neighbors of the Asdoorians growing up and she and I ran around together all through high school and later. We did so much together and tried to stay out of a lot of trouble and we did succeed actually - kind of. I have to truly say that I am grateful that we had our times together because they were so great. Absolutely the best memories. Rest in peace Marian - Love you.

“ I worked with Marian for many years in the insurance industry. First in Selma and then at Jackson & Associates. We had so many laughs and good times. We had good Christmas Parties. even if you no longer worked with her, she would invite you to the Christmas party. I am totally shocked that Marian is gone, gone way to soon. She taught me a lot in the insurance industry. Rip Marian. Jerry Beer
