“ *My dear sweet friend and ex neighbor. I continually remember the day you and Jennifer came to the mobile park to view one of the mobile homes that was for sale that was right next door to me. We had both moved there in 2013. We became fast friends. And to top it all you were also portuguese. We both felt like we were sisters. There was nothing we couldn't talk about and we never had one single disagreement. We spoke every day. Sometimes twice. I was so lucky to meet your son Steven and wife Kim and to actually become close friends with your daughter, Jennifer. I will always treasure the memory. MARY, I miss you very much, our talks and our times together. I will never forget you and you will always be in my heart. You got your wish. You are finally with your love, George.*
