“ Ed and I were deeply sorry to hear about Maury’s passing. We both had the pleasure of working with Maury at State Fund for many years. Maury was a special friend and a wonderful mentor to me. One of my favorite memories of Maury was listening to the beautiful solo he sang at our wedding. He was truly one of the kindest people I have ever met.

Our sincere condolences to the Nyburg family.

“ Maurice was a kind and gentle person and very highly thought of in our family. He was a person who truly lived his Christianity 🙏. When I was in high school, I babysat the boys. We all have great memories of the whole family.

Much love and prayers are with the family.

“ Sending our sympathy to Maury's family. What a great guy he was. My Mom, Edna, Ingham Jackson and her sisters, Elsie Ingham Howell, and family go way back. I attended Kingsburg schools with his son Jim. I helped in the Young Life cafe with Maury and Pauline in later years.
I'm living out of state now, but send our families condolences

“ *Pauline, Please accept our sincere sympathy for the passing of Maury. I had the pleasure of meeting him and having conversations with him on several occasions. He was so easy to talk to as he had the gift of sincerity and warmth both in his words and his smile. I will always remember our lunch at the Cosmopolitan. I also am indebted to you and Belvia for everything you did for my father. With Love and Sympathy - Dennis Peterson and Family*

To Maury's family.....I had the pleasure of meeting Maury in mid 1960 when we were both recruited to work for New York Life Insurance Co. Though we both made career changes thereafter our friendship prevailed. Always happy to see each other...Maury a loyal Kingsburg native and me a loyal Selma native. I am saddened by his passing but the memory of Maury, his smile and gentle personality will be with me forever. Our condolences to his wife and family. Pete and DeeNeece Esraelian, Selma
