“ Our family prays that God grants you all comfort in your time of sorrow and strength in the future. (A Short Story About My Cousin Michael 😞) It was around 1974/75 that my cousin Mike visited with my family in El Segundo (Los Angeles) and he was excited and amazed that I had purchased the 45 vinyl record of the Band ACE, the song (How Long) the record was released a few days prior, My cousin Mike was so taken by the song that he kept playing it over and over again in my bedroom while Aunt Emma & Uncle Louis were in the front room visiting with my parents. I just had to tell my cousin, hey Michael!!! Please take the record along with a few others back to Kingsburg and enjoy them at your house 🏠. My cousin took the 45's back home the next day. Since then every time I hear that play on the radio/Spotify/XM/Pandora and more, I've thought of my cousin Michael. I've been thinking and playing his song all day. I heard of his passing late yesterday, it was a phone call from my Aunt Florence Orosco. Sad news indeed. My prayers go out to his immediate and extended families. 🙏
