“ My condolences to mikes wife daughter and grandchildren, what a tremendous loss , my family and I loved mike very much . I was in contact wit him while in hospital, but wasn't aware how serious he was we text and when he stopped I felt something was very wrong . Through the years he wasn't an insurance person to us but a great friend and prayer warrior and a person that would listen and never had a bad thing to say about anyone , loved he's grandchildren and wife and daughter. We will Miss him so tremendously and we share in your pain and sorrow. He certainly touched our lives for many years he will not soon be forgotten by us . Estella ,Aaron , Janet Heisinger.
