

## Pamela Jean Viar

April 23, 1954 - February 9, 2023

VIAR, Pamela "Pam", formerly of Sanger, was born to Havelly "Ted" and Clover Green Harris on April 23, 1954 in Fresno, California and the youngest of 4 children. She is preceded in death by her father and mother, brother Hal Harris and brother-in-law Bradley Viar. She is survived by her husband of 50 years, Mike Viar; daughter Christina Jolliff and husband Wayne, Hollie Hudgins and husband Kevin, daughter Monique Williams and husband Ryan; 6 grandchildren, Stone, Piper, Harlan, Tamzin, Noah and Lana; sisters Arlene Rowan, Linda Mitchell and husband Brad; numerous nieces, nephews and loved ones.

Pam was a woman who gave greatly to her family, community and loved ones. She lead by faith and example in her roles of mother, wife, sister, church member, colleague and community member. Pam retired from Clovis Unified School District in 2013 and continued working with school districts and agencies throughout the country to develop and implement better financial systems and processes. She loved working with people and traveling to new places. This did not stop her from being an active member in Sanger Rotary, advocate and participant in Relay for Life and the Leukemia/Lymphoma foundation, active member of Quail Lakes Community Church, and of course, grandmother. Pam loved spending time with her family and grandchildren more than anything. Camping, traveling, backyard cookouts, her grandchildren's classroom and working in her flowerbed were just a few of the

many things Pam enjoyed doing most with her family.

Pam was also a fighter. When diagnosed with cancer in 2015, she vowed to beat cancer and fought with everything she had. Pam never complained, never questioned why, but instead relied on her faith and praised God each day for her many blessings. She fought with faith, positivity and determination.

Services will be held Saturday, June 24th at Quail Lakes Community Church, 10:00 am. A reception will directly follow.
