“ *Pete's Eulogy*

*I stand here in front of all of you that knew Pete...As you all know he is truly the most Genuine person, friend and brother to all of us.*

*He has helped all of us in our time of need, because he is that kind of person. Very caring and very aware of everyone else's needs, that he forgets about his own needs.*

*I worked with Pete in Selma and Kaiser. He is by far the most dependable person I have worked with. Takes initiative and always a step ahead. Very hard working and humble.*

*I will miss our friendship, our constant joking and our lunch breaks together. When I have nothing to eat Pete always made sure I had something in my belly. Pete was an awesome cook and a true friend. He will give you his last dollar even though it leaves him broke, he will give you his last piece of bread even if he is starving.*

*He will be truly missed. Rest In Peace beside your beloved mom and I know you will watch over us in heaven and welcome all of us when it is our turn to meet our maker. 🙏*
