“ So many great memories hard to share just one. Brother had a laugh that was contagious AF. And he was always laughing, even if you had absolutely no sense of humor my man would be rolling have you thinking funniest SOB ever. LOL. He was a good friend I am going to miss him. He was Uncle Scott to my daughters and they absolutely adored him just as much as he them. I send my condolences to everybody that knew and loved him like we did, but I feel worse for the ones that didn't. That said one thing we did besides deer hunt and ki Newcastlles was fish. A lot. Shaver was on fire not in bad way but Idaho trophy trout bite way. With a derby and i think a few grand up for grabs with big fish we did a little trolling day before it began looking for the spot and what these toads wanted. We found them and Scott hung a monster 10 plus rainbow. After few pics and a kiss let her swim off in opposite direction. Stoked ready to kick ass tomorrow win it all headed back to marina. As we pulled in saw a nice little gathering and to our dismay found out that we had just let the winning fish go. We had somehow missed a day not sure if it was deer hunting or Newcastle and coors , or telling stories we relived every camp fire probably were just laughing our asses off at bad jokes. RIP Scott I Love You man. My girls Love you. Wish had one more cast in this life. Lines tight bait wet rod up brother til see you again
