“ *Hey Sheila , I never had a chance , or took the time to give you my condolences and tell you how sorry I was for your loss . I am so sorry your mother passed so early , she had a beautiful smile and must have been a beautiful person inside , and out . I noticed she was born March 7th , which makes her a Pisces like myself so I know she was a very giving and caring person to those around her . I'm sure she is missed by those that knew her well during her lifetime . My birthday falls on March 2nd and If I could've been there for you I would've been . I believe you must take after her so you are the amber that still glows from her time here on Earth . Rest In Peace Sharon Lynne Morton*

“ *The best and happiest days of my childhood were spent with my cousin Sharon. I remember summer days with Sharon on her family's farm playing baseball, swimming and climbing trees. To me, Sharon was fearless. Where she went I followed she was so much fun to be around. I will always remember her wit, her jokes and stories, her smile and the way she laughed. Sharon was funny, feisty and fierce. She was my cousin and I will miss her. Love you cuz.*
