Loving Memory of Stanley Brian Reddell

April 8, 1969 - May 14, 2025

It is with deep sorrow that we announce the passing of our beloved father, grandfather, and friend, Stanley Reddell. Stan passed away on May 14, 2025, at the age of 56 in Salome, Arizona.

Stan was born on April 8, 1969, in Selma, California, to Jerry Reddell and Judy Watkins. From a young age, he was known for his big heart and infectious sense of humor. He was a loving father, a devoted "Papa," and a loyal friend to many.

He is survived by his daughter Haley Cerrato and son-in-law Anthony Cerrato, along with his two beloved grandsons, Chance and Gavin, who were the light of his life. He also leaves behind his 3 brothers Mark (Tina), Matthew (Casie), and David (Wendy) along with many extended family members and dear friends who will miss him deeply.

As a child Stan used to enjoy spending his days watching baseball but especially enjoyed seeing the Cincinnati Red's play. He also spent many days at his grandma's house sitting and watching MASH episode after episode. He lived in Selma and Kingsburg the majority of his childhood, attending

Kingsburg High School before moving to Clovis after his Sophomore year. He later graduated from Clovis High in 1987. During high school, he was actively involved in FFA and loved working with animals.

After graduation, Stan attended Fresno City College with dreams of becoming a police officer. While in college, he worked as a butcher at Country Cousin Market. Stan graduated from the Police Academy in December 1989 and joined the Tulare County Sheriff's Department in 1990. Over the next 25 years, he served the department with pride and dedication, working in the courts and at the Pretrial Detention Facility. His commitment and strong work ethic was recognized with a promotion to Sergeant.

In 1995, Stan and his former wife Karena welcomed their daughter Haley into the world. He was a hands-on father that was constantly pushing his daughter to her full potential and encouraged her to chase her dreams.

In 2015, Stan began a new journey as an entrepreneur. He took pride in building his business and forming meaningful connections with customers and friends along the way.

Between 2020 and 2024, Stan faced some health challenges with courage and resilience. His strength during this time allowed him to share many more precious moments with his family. He especially loved talking to Chance and Gavin, cherishing every phone call and visit.

Stan was a man of integrity, strength, and quiet wisdom. His legacy lives on in the lives of all who knew and loved him.

A Celebration of Life will be held on June 28th at 11:00 a.m. at Salser & Dillard Creighton Chapel in Kingsburg, with a reception to follow. Reception details will be shared at the service. All family and friends are welcome to attend and
