“ I was saddened to learn of Todd's passing. Todd and I got to know each other after I had arrested him on various crimes. You see I was a Detective with the Kingsburg Police Department. I only wish I could have helped him more with his addiction to drugs. I saw so much potential in him but eventually there is only one end. He actually was a very sweet boy and quite popular with the girls. He bought me dinner one night at a Mexican Restaurant that no longer exists. I haven't ever forgot that. He told me that I was the only Officer on the force who treated him with respect and tried to help him. He'll be missed but I will see him on the other side.

My heart is so sad. Todd was someone I knew would always look out for me no matter what. Even as an adult I believed and still believe if I ever needed him he would be there. Gloria, Perry, Tim and family my deep and sincere condolences.
