And see your third face,
He said his arms around you,
And that you to rest,
God's garden must be beautiful
He always taken the best,
He knew that you were suffering,
We know you were in pain,
He knew that you would never
Get well on earth again,
He saw the road was getting rough,
And the hills were hard to climb,

You taught us love and how to fight,
You gave us strength, you gave us might,
A stronger person would be hard to find,
And in your heart, you were always kind,
You fought for us all in one way or another,
Not just as wife but just as mother,
For all of us you gave your best,
Now the time has come for you to rest,
