“ Stacy, Scott and families, so very sorry for your loss. Wes was a wonderful, strong, caring man. We have many touching memories of your family going all the way back to high school, then raising young families together, especially trips to Disneyland and Magic Mountain. Those memories produce smiles to go with the lumps in our throats. By the way, Wes and Carol win -- 13 great grand babies to our three. We will be unable to attend the memorial service, but would love to catch up with you.
